Criteria for creation/abolition of senior faculty posts in AIIMS

929. SHRI VIRENDRA VERMA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what is the policy/criteria, if any, laid down by Government for the creation and abolition of senior faculty posts in the AIIMS;

(b) whether it is a fact that senior faculty posts in the Department of Orthopaedics in AIIMS was abolished/downgraded within two years of its creation;

(c) if so, what are the considerations which weighed with the Government to create the posts and what are the circumstances under which the posts were abolished/downgraded within two years of their creation;

(d) whether Government have received any representation from Members of Parliament suggesting the restoration of the abolished/downgraded posts of senior faculty in the Department of Orthopaedics in AIIMS in the public interest; and

(e) if so, whether Government propose to restore the posts, if not what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): The creation and abolition of senior faculty posts in AIIMS is based on departmental needs and work load.

(b) One post of Professor of Orthopaedics was created on 24-2-83 with the stipulation that the Post of Associate Professor, when it falls vacant, will be kept in abeyance. The post of Professor was abolished/downgraded to that of Asso. Professor will be kept in abeyance.

(c) The second post of Professor of Orthopaedics was created in Feb., 1983 considering the need to provide expert facilities in order to meet the increasing demand of patients load. However, in March, 1984 Professor and Head of the Deptt. of Orthopaedics recommended that with the availability of additional appointments at the level of Asso. Professor, Assistant Professor and Lecturer only one post of Professor is considered adequate in terms of work load.

(d) Yes, Sir.

(e) The restoration of the post can be considered by the Institute if adequate justification is given by the Head of the Deptt. of Orthopaedics.
